The Committee reviewed the minutes from the March 10, 2010 meeting. Ms. Courtright made a motion, seconded by Ms. Bilton, to approve the minutes as presented. Motion unanimously carried.

NEW BUSINESS

Discussion Regarding the Use of SLPAs

The Committee continued reviewing some documents Ms. Courtright provided at the March meeting which listed North Carolina's requirements for SLPA licensure. The committee discussed some of the attributes they would like to use in Delaware's regulations and statute. The Committee also reviewed section 6.0 of Delaware's regulations regarding SLP Aides. Currently Delaware's regulations allow the use of SLP Aides, but they are not required to be registered or licensed. The Committee discussed removing SLP aides from the regulations once SLPA requirements are added. Based on today's discussions Ms. Courtright will continue reviewing North Carolina's statute and regulations, as well as the information received from DSHA, and determine what should be used in Delaware's statute and regulations. This discussion will continue at the August

Committee meeting. Ms. Heeney will also review all of the information to determine the general requirements that should be included in the statute.
